

Transport guide

- Guide can be retrofitted onto XLean and Lean conveyor tracks
- Can be combined with all XLean and Lean conveyor media
- The T-shaped cross section allows both sides to be used as a lateral guide and a slide rail
- Use of both sides means lower space requirements
- Can be lowered underneath the conveyor track by turning the transport guide by 180°
- Mount for increased stability

	L (mm)	ESD	No.
A Polymer profile	30 ... 3000		3 842 993 615/L
	3000	20	3 842 538 108
	30 ... 3000		3 842 993 617/L
